

INNOVATIVE FORMS OF TEACHERS PROFESSIONAL DEVELOPMENT

No member of a crew is praised for the rugged individuality of his rowing.
Ralph Waldo Emerson

Bekkazieva Albina Sagieвна,
Deputy Principal for science and methodological work
NIS Atyrau of chemistry and biology

*We do not learn anything from people who say : "Do like me".
The only teachers are the ones who say: "Do with me".
Giles Deleuze*

"...Continuous professional development is a systematic acquisition of knowledge, experience, skills and development of personal qualities that are necessary for accomplishment of professional duties over a period of professional life....»

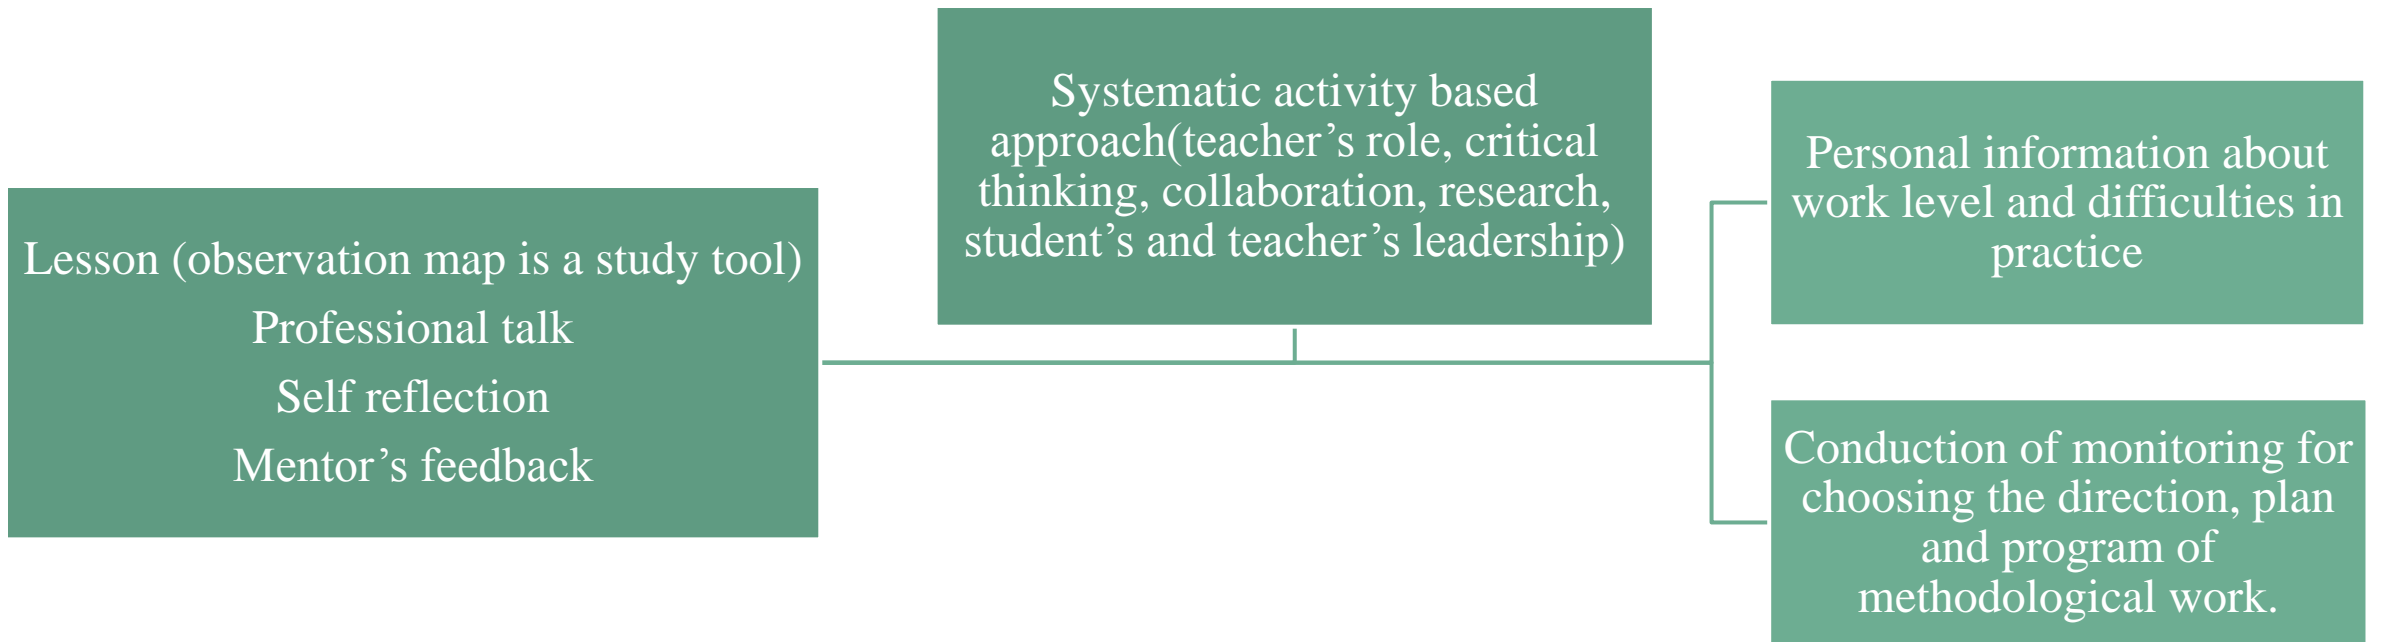

Professional development is continuous process which includes professional learning, career development and professional advancement.

Professional development of teacher's identity is

a process of forming professionally significant qualities complex and they express integral structure and peculiarities of educational work.

Studying the individual problems of teacher's practice

*Coming together is beginning.
Keeping together is progress.
Working together is success.*
Henry Ford

By applying the principles of activity based approaches in teaching and learning our teachers help students to succeed
