

**STATE MUNICIPAL TREASURY ENTERPRISE
NURSERY GARDEN «TAÑSHOLPAN»**

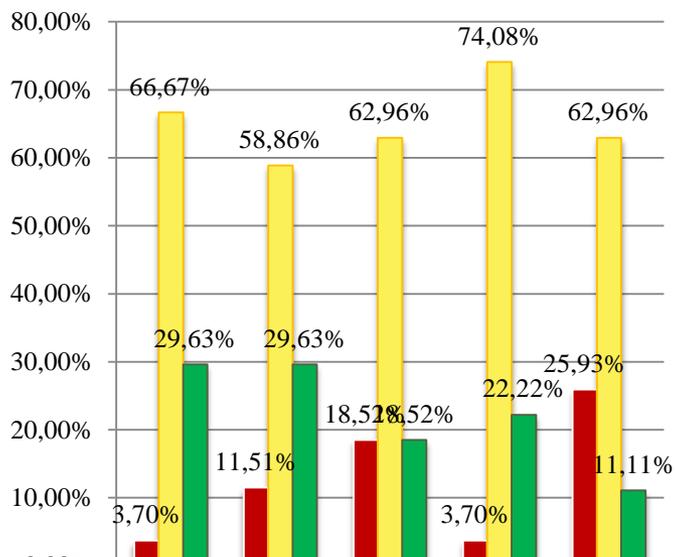

RESEARCH TOPIC:

**How does the chain text method
affect the automation of sound [p]**

**PREPARED BY: SPEECH THERAPIST
RAKHIMBAYEVA I.**

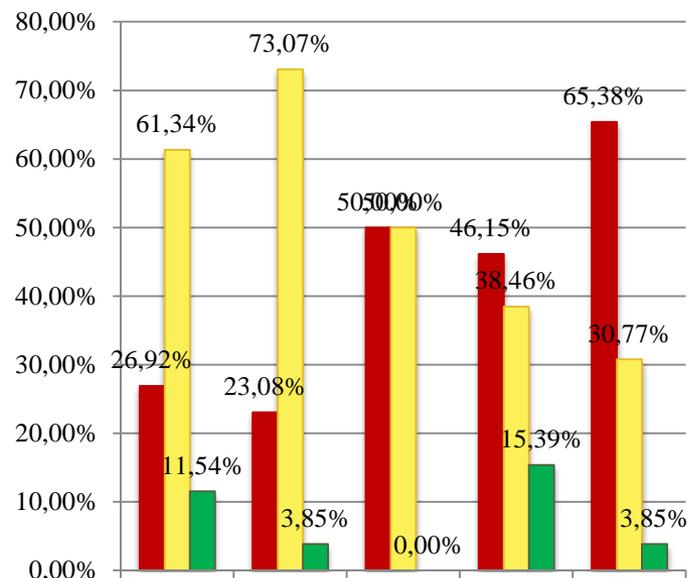

Chart of comparative results of initial monitoring of senior groups in 2013 and 2018

Senior groups of 2013

■ significant violations	3,70%	11,51%	18,52%	3,70%	25,93%
■ minor deviations from the norm	66,67%	58,86%	62,96%	74,08%	62,96%
■ meets the norm	29,63%	29,63%	18,52%	22,22%	11,11%

Senior groups of 2018

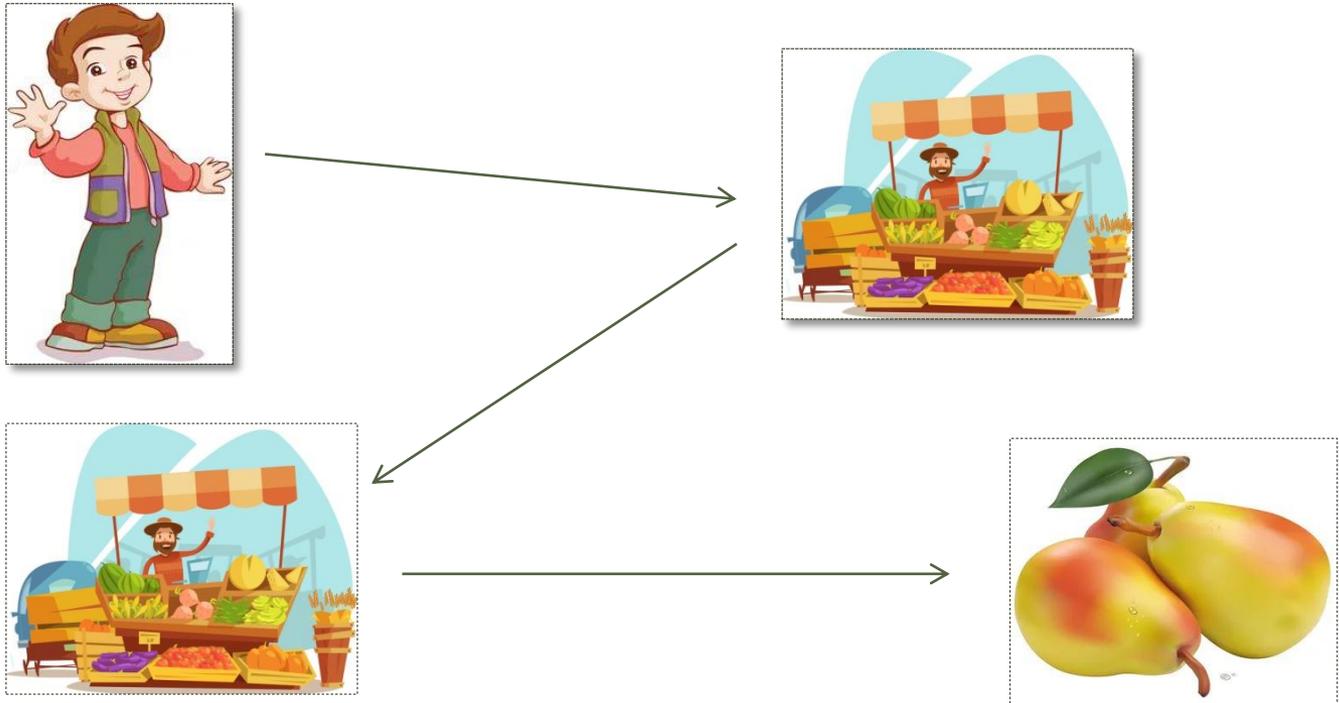

■ significant violations	26,92%	23,08%	50,00%	46,15%	65,38%
■ minor deviations from the norm	61,34%	73,07%	50,00%	38,46%	30,77%
■ meets the norm	11,54%	3,85%	0,00%	15,39%	3,85%

Meaning of Chain text

- ▶ *Chain text is a semantic organization, which provides a consistent transmission of meaning from sentence to sentence linearly, along the chain*

A Pedagogical Approach to Action Research

Purpose of the study

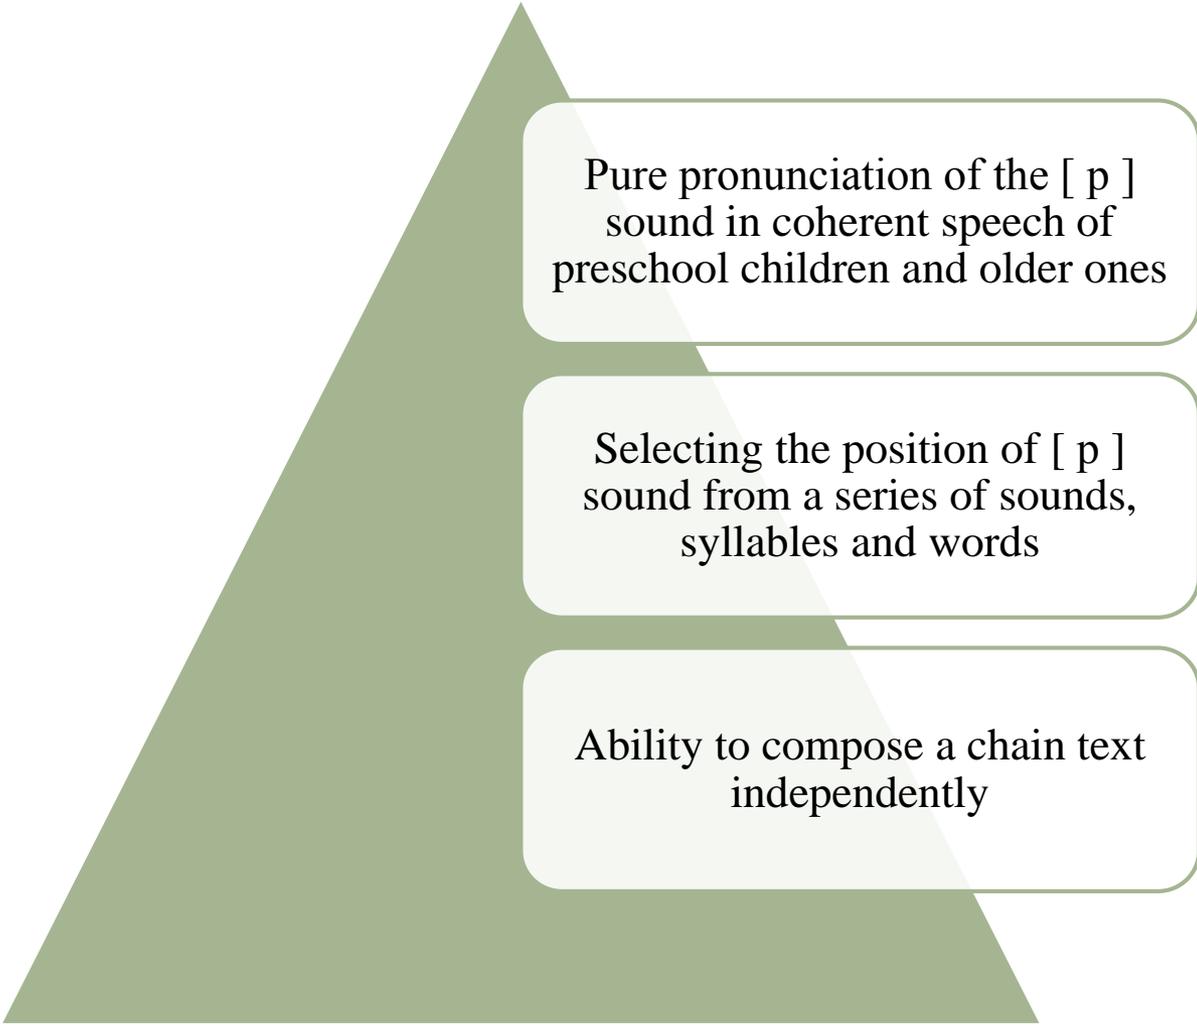

- study of the impact of chain text on automation sound [p] in a child of senior preschool age

The period of the study

- 3 lessons
-

PLANNED RESULT

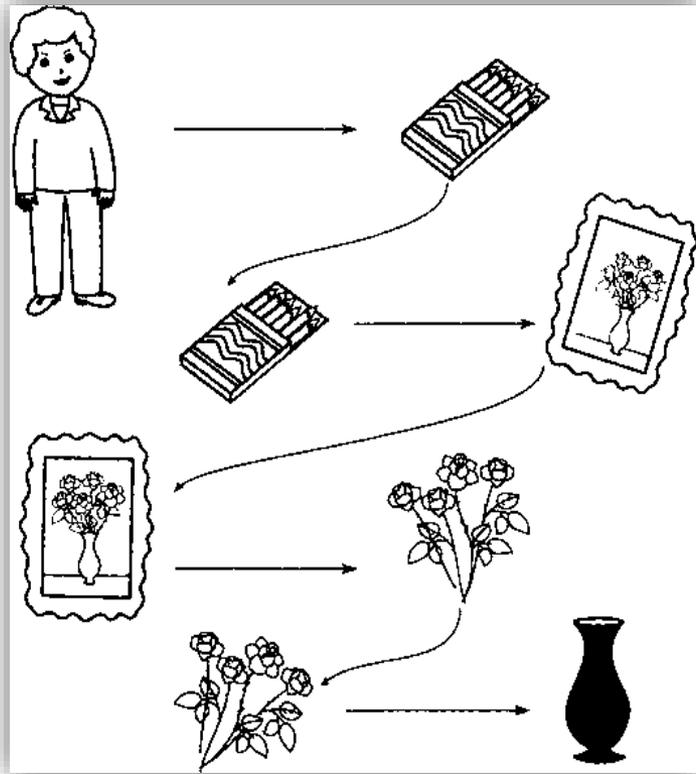

Pure pronunciation of the [p]
sound in coherent speech of
preschool children and older ones

Selecting the position of [p]
sound from a series of sounds,
syllables and words

Ability to compose a chain text
independently

Lesson 1

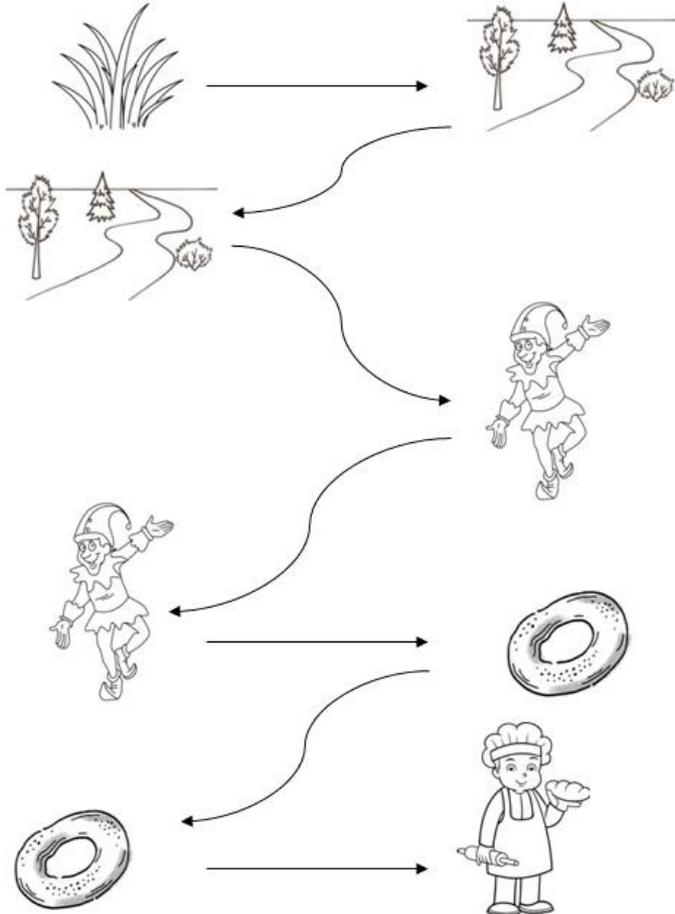

Use literature :M.I. Linskaya, I.V. Baskakina. "The logopedic games. The birthday of the letter R". Work copybook for correcting sounds [p]

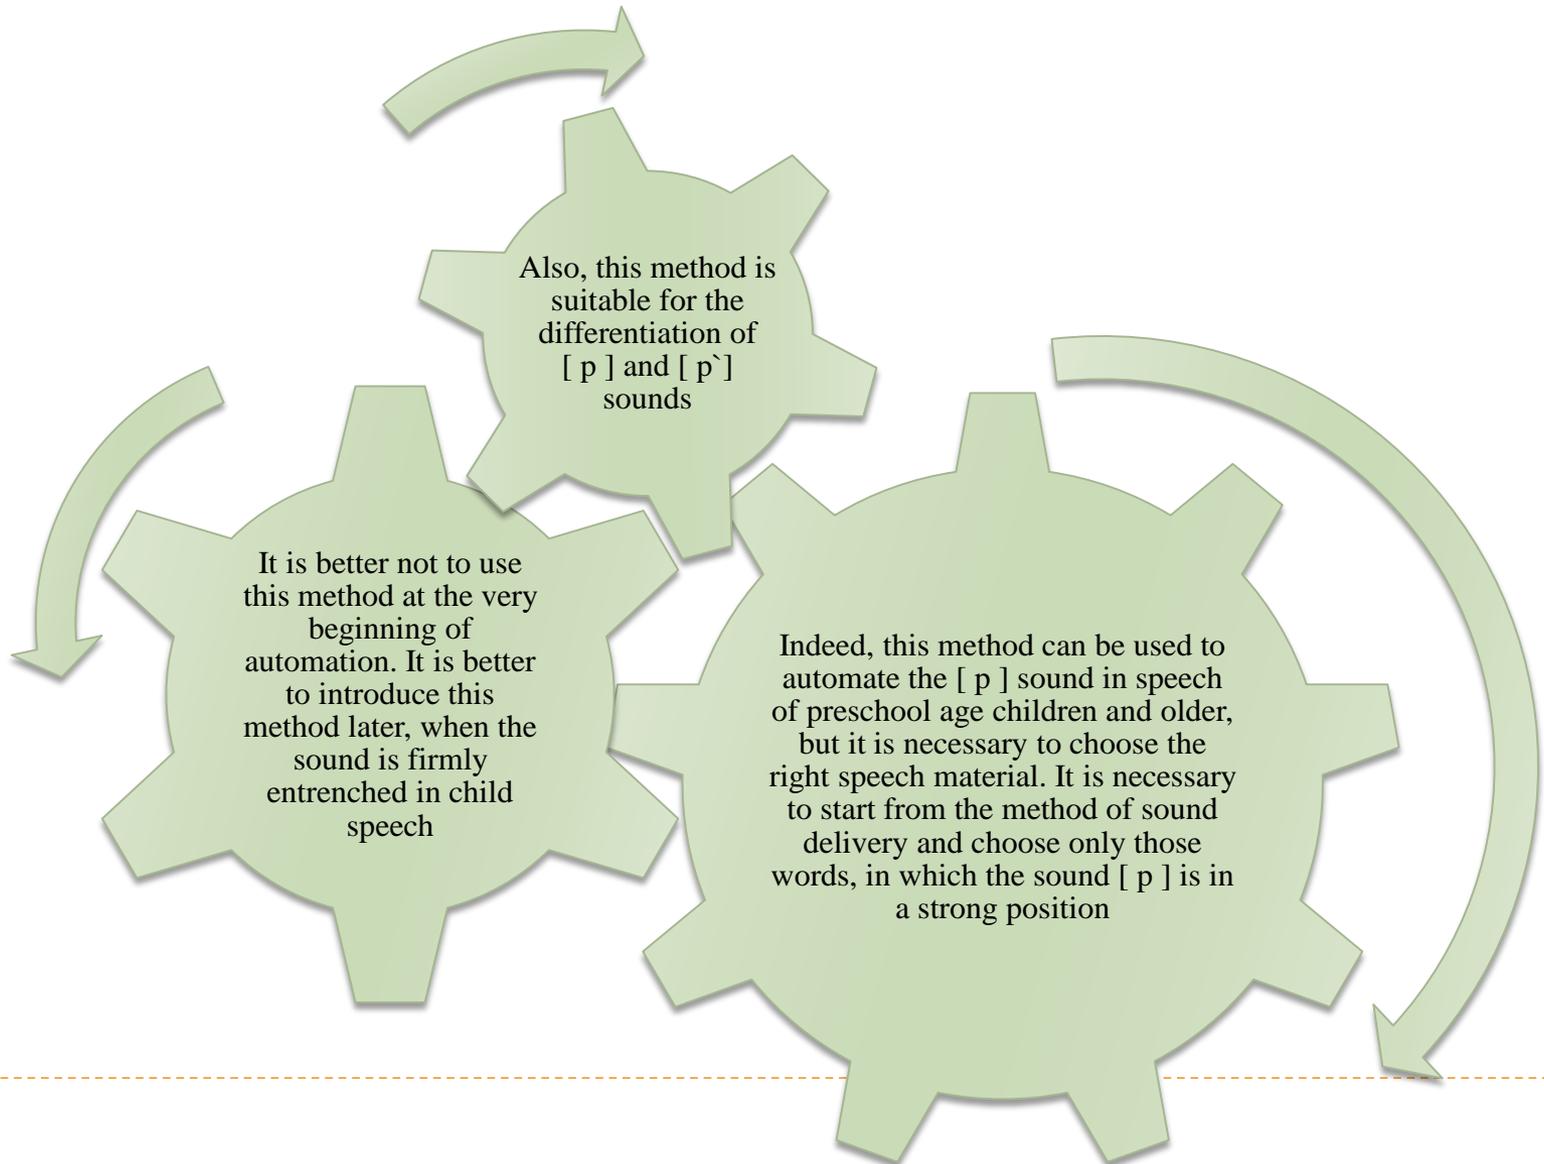

Lesson 2

Петрушка (цепной текст)

Трава зеленела на тропинке.
На тропинке шел петрушка.
Петрушка ел вкусную ватрушку.
Ватрушку приготовил Рома.

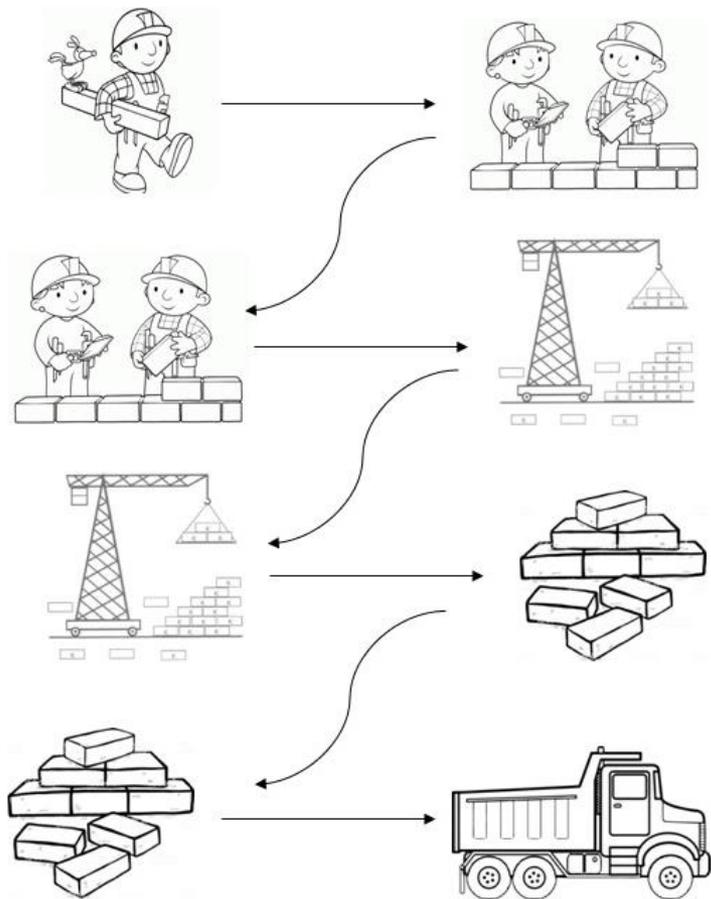

FINAL REFLECTION

Workbook

Подъемный кран (цепной текст)

Трофим работает на стройке.
На стройке стоит подъемный кран.
Подъемный кран поднимает тяжелые кирпичи.
Кирпичи везет грузовик.

Друзья (цепной текст)

Трусливого зайца прыгал на травке.
В траве спряталась хитрая лиса.
Хитрая лиса решила поиграть в прятки.
А прятки играют друзья.
